

# MULTICULTURAL BUSINESS UPSKILLING PROGRAM

Are you interested in starting a business or do you want to upskill your business?

**AWECC and Business Wodonga are running free sessions to provide basic information and mentoring sessions provided by local business.**

## Sessions include:

- Australian taxation obligations - including ABN Tax obligations
- Types and importance of insurances
- Digital and website marketing

Courtesy of Victorian Government funding, AWECC and Business Wodonga, business owners can access free one-on-one online coaching with an expert.

As part of this Program, a limited number of participants will be granted free membership of Business Wodonga for twelve months, to take advantage of all other support, as well as Click Region memberships for their online resources.
